OUR SCHOOL

CAMBRIDGE EARLY YEARS

Cambridge Early Years is our new program for 3-5 year-olds. It gives young learners the best start in life, helping them to meet the key early milestones and thrive in and outside of school.

CAMBRIDGE PRIMARY

Starts learners on an exciting educational journey. Typically for 5 to 11 year-olds. It provides a strong foundation for students at the beginning of their schooling before progressing through the Cambridge Pathway in an age-appropriate way.

CAMBRIDGE LOWER SECONDARY

It's typically for learners aged 11 to 14 years. It helps the students for the next step of their education, providing a clear path in an age-appropriate way. Cambridge Lower Secondary also known as Key Stage 3 is a level of learning consisting of Year 7, Year 8 and Year 9 groups.

CAMBRIDGE UPPER SECONDARY (IGCSE)

It offers a variety of routes for learners with a wide range of abilities including those whose first language is not English. We help schools build a programme around their specific needs and career paths. Starting from a foundation of core subjects, it is easy to add breadth and cross-curricular perspectives. Encouraging learners to engage with a variety of subjects and make connections between them, is fundamental to our approach.

CAMBRIDGE AS/A LEVEL

The Cambridge International Advanced Subsidiary Level (AS Level) and Advanced Level or "A Level", is the 'gold standard' of Cambridge qualifications, accepted as an entry qualification by the world's best universities in the UK, Ireland, USA, Canada, Australia, New Zealand, India, Singapore, Egypt, Jordan, the Netherlands, Germany, Spain, Kenya, Malaysia and elsewhere around the world.
