### Midterm Exams for Years 6, 7, 8, and 9

The midterm examinations for Years 6, 7, 8, and 9 were conducted from **February 12th to February 14th, 2025**. In addition, Year 6 students completed their mock examinations, which encompassed core subjects including Mathematics, English, and Science (Papers 1 and 2).

To ensure an organized process, Years 6 and 9 undertook their examinations in the dining hall, while Years 7 and 8 completed their assessments in their designated classrooms. The exams were carried out in a structured and impartial manner, allowing all students the opportunity to perform to the best of their abilities.

### Acknowledgment

We would like to express our heartfelt appreciation to the parents for their unwavering support and encouragement throughout this examination period. Your cooperation and engagement are integral to the academic growth and success of our students.

## REPORT ON SKATING CLUB COMPETITION

2025

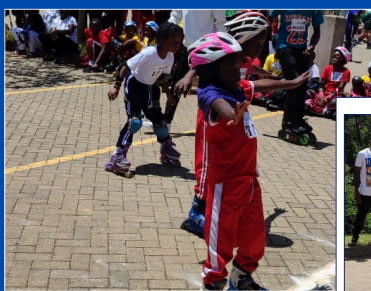

The Light International School Primary Skating Club recently participated in a skating competition held on February 15, 2025, at Waterfront. This event brought together talented skaters from various schools, fostering an exciting and competitive environment. The Light International team showcased exceptional skill and determination throughout the competition.

Among the participants, Nadia distinguished herself with an outstanding performance, achieving third place in her category. Her dedication, speed, and technical proficiency earned her well-deserved recognition, bringing pride to both the team and the school.

Despite the challenges posed by formidable competitors, the students remained resilient and demonstrated a commendable level of effort. This experience provided valuable lessons and motivation for future competitions. To enhance the club's performance, it is advisable to implement increased training sessions, invest in improved equipment, and participate in additional events.

Overall, the competition was a significant success for Light International, and the club eagerly anticipates further achievements in forthcoming events.
