## SERVICE LEARNING

**JANUARY 22, 2025**

### YEAR 4 AND 5

### Clothing, Bedding, Shoes and Toys Donation

On **November 28, 2024**, students donated clothing, shoes, bedding, and toys.

### Visit to Kawangware Garden Children's Home and Orphanage.

On **Saturday, 11th January 2025**, students and teachers from **Year 4 and Year 5** of Light International School Primary Nairobi visited the Kawangware Garden Children's Home and Orphanage. The visit was organized as part of the school's ongoing commitment to giving back to the community and supporting those in need.

We extend our sincere thanks to everyone who contributed to the donation drive and made this event possible. Your generosity has made a meaningful difference in the lives of these children.

During the visit, the students and teachers brought along donations of clothing items and toys, which were given to the children at the orphanage. The donations were greatly appreciated, and the children at the Garden Children's Home were visibly happy and grateful for the thoughtful gesture.

The event was a heartwarming experience for both the students and the children at the orphanage. It reinforced the values of kindness, empathy, and community spirit.

We look forward to continuing this spirit of giving and are excited for future opportunities to support and engage with those in need.

Thank you once again to all who participated

## CHARITY BAZAAR REPORT

### YEAR 7

On **January 17, 2025** the **Year 7** students successfully hosted a Charity Bazaar to raise funds for the Children's Garden Orphanage in Kawangware. The event was a remarkable display of teamwork, generosity, and compassion.

Students contributed a variety of food items and snacks, which were sold during the bazaar. Their efforts resulted in an impressive total of **Ksh. 40,275**, which will be fully dedicated to supporting the Kawangware project.

We extend our heartfelt gratitude to the parents, students, teachers, and the entire school community for their unwavering support and contributions that made this event a success.

Thank you all for making a difference in the lives of others. Your kindness and dedication inspire us all.

# STUDENT COUNCIL MEETING

## ELECTED STUDENT

The student council meeting was successfully held on **17th January 2025** in the school dining hall. The meeting focused on key issues affecting the student community, with discussions revolving around the following main agendas:

### 2. Impact of Student Leaders on School Culture and Academic Performance

Discussions highlighted how student leaders influence the school's overall culture and academic environment. Participants explored ways to create a more inclusive and positive atmosphere while encouraging academic excellence among their peers.

The meeting concluded with gratitude extended to the school administration for their unwavering support and guidance in empowering student leaders to contribute meaningfully to the school's growth.

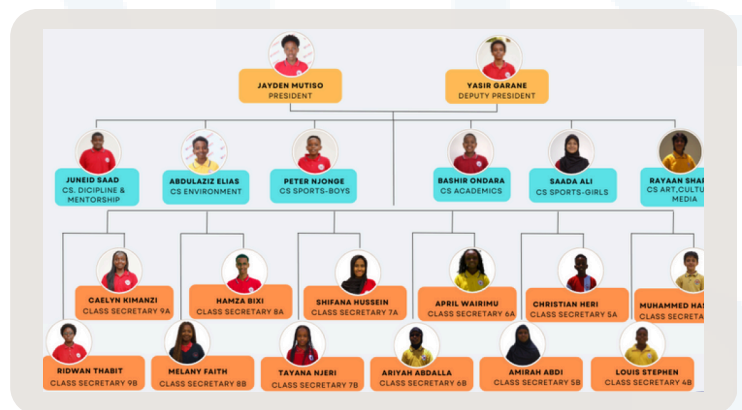

We look forward to the continued collaboration between the student leadership team, the administration, and the entire school community to achieve our shared goals.

### 1. Roles of Student Leaders in School

The meeting emphasized the importance of student leaders in fostering discipline, promoting unity, and acting as a bridge between the student body and the administration. Leaders were reminded of their responsibilities and encouraged to lead by example in all aspects of school life.

### 3. Student Leaders' Opinions on School Progress

The student leaders were given an opportunity to share their views on the school's progress. They expressed various insightful ideas and concerns, which included suggestions for improving facilities, extracurricular programs, and strategies to enhance academic performance. These ideas will be carefully considered for future implementation.

# REPORT ON CHEMISTRY PRACTICAL SESSION

YEAR 9

**Carl Rodgers**  
Chemistry Teacher

On **Saturday, 18th January 2025**, our **Year 9** students participated in an engaging Chemistry practical session at Light International School, Karen.

The experience was both educational and enjoyable for the learners, as they had the opportunity to carry out various hands-on activities in the laboratory.

The students enthusiastically prepared different types of salts, reacted metals with water and acids, and tested for gases such as hydrogen. These activities not only reinforced their theoretical knowledge but also sparked excitement and curiosity about Chemistry as a subject.

In addition to the lab work, the learners were taken on a tour of the school, where they expressed their excitement about exploring a new learning environment.

We extend our heartfelt gratitude to the administration, parents, and students for their support and efforts in making this event a resounding success.
