JUNE 19, 2025

CULTURE DAY REPORT

Our Culture Day, held on **Saturday, June 14, 2025**, was a vibrant and colorful celebration of Kenya's rich cultural diversity. The event featured music, dance, traditional attire, and heartfelt messages, making it one of the most memorable days of the term. The day began with the Kenyan National Anthem, which set a patriotic tone for the celebrations. Teacher Zaynab made opening remarks, warmly welcoming everyone and emphasizing the importance of embracing cultural diversity. The program was smoothly conducted by Teacher Patrick, who served as the Master of Ceremonies.

One of our parents, Baba Anas, gave an insightful speech on the value of culture and unity, setting the stage for more performances. Next, Year 5 presented a captivating dance representing Kisii culture. To enhance this segment, Baba Heri invited a group of traditional Kisii dancers from Kisii, who amazed the audience with an authentic Kisii song and dance performance.

Performances commenced with the school dance team, followed by a lively presentation by Year 4, showcasing the Luo culture. We also enjoyed a special performance from students of our Lenana branch, who delivered an energetic cultural dance.

CULTURE DAY REPORT

The stage then came alive with a dynamic Garre culture dance performed by Year 7, followed by performances from our sister school, Kawangware Orphanage, which delighted attendees with three acts: acrobatics, modern dance, and a traditional dance piece.

After the performances, parents and guests visited various cultural display areas, where students and teachers had arranged exhibits of cultural items and traditional food. This allowed everyone to interact, learn, and celebrate the uniqueness of different cultures.

ACKNOWLEDGEMENT

We extend our heartfelt appreciation to all parents, students, and the entire LISP staff for making Culture Day 2025 a memorable and successful event. Your dedication, participation, and support made it possible to showcase the beauty and richness of our cultural diversity. Special thanks to our parents who participated through speeches and by bringing in external performers. To our students, your energy, creativity, and commitment to representing different cultures were truly inspiring. And to the teachers and support staff, thank you for the countless hours of preparation and coordination. Once again, thank you for making Culture Day a true celebration of unity in diversity.

Year 8 took us on a cultural journey with their Maasai dance, followed by a heartfelt address from Baba Juneid, another valued parent. The cultural showcase continued with the Year 9 boys presenting a Swahili dance, Year 6 performing a vibrant Nubi culture dance, and Year 9 girls closing the stage performances with another beautiful Swahili dance.

The event concluded with final remarks from Teacher Cecilia, who appreciated the efforts of everyone involved and highlighted the significance of cultural identity in our school community.

MENTORING REPORT

The Key Stage 3 boys from **Years 7, 8, and 9** participated in a mentoring sleepover program held at Light International School in Karen. The event began on the **evening of Thursday, May 29, and concluded on the afternoon of Friday, May 30, 2025.**

During the program, the students engaged in various planned activities designed to build character, foster teamwork, and strengthen peer relationships. The program included interactive mentoring sessions, games, and bonding activities throughout their stay.

On **Friday, May 30, 2025**, the boys visited The Waterfront for outdoor activities that encouraged collaboration and resilience. After the activities, they enjoyed a group lunch before returning to school. This outing marked the successful conclusion of a fulfilling and enriching mentoring program.

We appreciate the support from parents and the dedication of the mentoring team in making this event a success.
