## GLOBAL ROUNDWORLD SCHOLARS KUALA LUMPUR, MALAYSIA

Our learners actively participated in the **Global Round World Scholars Competition** held in **Kuala Lumpur, Malaysia**. This prestigious event provided them with an exceptional opportunity to demonstrate their skills in teamwork, debate, and collaborative writing while engaging with peers from various countries.

In addition to serving as an academic platform, the competition facilitated cultural exchange, broadened their global perspectives, and bolstered their confidence.

The participants also benefitted from a series of educational tours and cultural experiences that deepened their understanding of Malaysia's rich history, diversity, and innovation. They had the opportunity to visit notable sites such as the Batu Caves, the King's Palace, Sunway Lagoon, and Genting Highlands, which offered invaluable insights into the nation's heritage and contemporary attractions.

Overall, this experience was both rewarding and inspiring, equipping participants with memorable insights, lifelong lessons, and a renewed commitment to academic excellence.

## UNDER-10 FOOTBALL FRIENDLY MATCH

On Saturday, 6th September 2025, our Under-10 football team participated in a friendly match hosted by Faulu School in Nairobi. The team consisted of \*12 boys and 5 girls\* and arrived on time for three scheduled 7-a-side matches.

The first match, lasting 20 minutes, was closely contested. Despite their efforts, our team narrowly lost 3-2 to the hosts.

In the second match, played by Group 2, the game was divided into two halves of 10 minutes each, with a 5-minute break in between. This match also ended in a 1-0 victory for Faulu School after a tough battle.

The third and final game turned out to be the most emotional of the day. After an impressive performance, our players were edged out in the last minute, losing 2-1 to the host team.

Although the results did not favor us, the players displayed determination, teamwork, and great sportsmanship throughout the event. They have resolved to train even harder in preparation for the upcoming rematch.

## INTERNATIONAL LITERACY DAY CELEBRATION

This year, our school joined the world in celebrating International Literacy Day with a unique and exciting program designed to inspire a love for reading among learners. We hosted a vibrant Read-Aloud-a-thon, where students from various grades took turns reading passages, poems, and short stories to their peers. This activity not only showcased their fluency and expression but also encouraged confidence in public speaking.

To add color and creativity to the day, students came dressed as their favorite authors and book characters. The school hall was filled with mini Harry Potters, Matildas, Shakespeares, African storytellers, and many other beloved figures from literature. This atmosphere brought stories to life in an engaging and fun way, sparking discussions and curiosity about different books and writers.

Teachers guided the activities, while parents and guardians expressed their joy in witnessing the enthusiasm with which learners embraced reading. The event concluded with a short reflection session, during which students shared why reading is important to them and how books open windows to new worlds.

The celebration was a great success, reinforcing the message that reading is not only a skill but also a joyful habit that nurtures imagination, knowledge, and future learning.
