"Providing every learner with access to opportunities, knowledge, and values that lead to success."

DENTAL HEALTH AWARENESS

On **September 15, 2025,** during our school assembly, we were delighted to welcome guests from Insmile Dental, who gave our students an informative session on the importance of dental health.

The students learned how to care for their teeth properly, including the correct way to brush and maintain good oral hygiene. At our school, we believe that education goes beyond the classroom. We strive to equip our students with practical knowledge and healthy habits that they can apply in their everyday lives.

Our students also brought Library Week to a wonderful close with an engaging discussion about the books they had been reading throughout the week. The focus was on the works of renowned author Roald Dahl, whose imaginative and entertaining stories inspired our students to share their thoughts, favorite characters, and lessons they had learned from the books.

The discussions provided an opportunity for students to develop their love of reading while building confidence in expressing their ideas and listening to one another.

YEAR 9 & 10 MOTIVATIONAL TALK

Our students took part in an inspiring Career Guidance and Counselling session led by Mr. Mursal, one of our parents on **Tuesday, September 22, 2026** , who generously shared his time and valuable insights with them.

The students were encouraged to look beyond financial rewards when choosing their future careers. They were reminded to consider how their careers can create a positive impact and make a meaningful difference in the lives of others.

The session also highlighted the challenges students may encounter along their career journeys. They were encouraged to remain resilient, patient, and focused on their goals, while developing the determination needed to overcome obstacles along the way.

Students were further reminded that every subject matters. The knowledge and skills gained from each subject can become useful and applicable at different stages of their education and future careers.

Above all, the students were encouraged to think about the challenges facing society and consider how they can use their talents, knowledge, and future careers to develop solutions. They were reminded that true fulfilment comes not only from personal achievement, but also from the positive difference they make in the lives of others.

We sincerely appreciate Mr. Mursal for taking the time to guide and inspire our students. His willingness to share his experience and encourage the next generation reflects the valuable partnership between our school and our parent community.

Thank you, Mr. Mursal, for investing in the future of our students.

YEAR 4 EDUCATIONAL TRIP

On **Tuesday, September 22, 2026** our **Year 4 students** had the opportunity to visit Mlango Farm for an exciting and educational learning experience.

The trip gave students a chance to step outside the classroom and connect their learning with real-life experiences. They explored the farm, learned about different farming practices, and gained a deeper appreciation for where food comes from and the importance of sustainable agriculture.

The students enjoyed the hands-on experience and were excited to discover new things throughout the visit. It was a memorable day filled with learning, exploration, and fun, reinforcing our belief that meaningful learning can take place both inside and outside the classroom.

YEAR 5 EDUCATIONAL TRIP

Continuing our exciting learning experiences beyond the classroom, our Year 5 students embarked on an educational trip to Wilson Airport on Wednesday, September 23, 2026.

The visit gave the students an opportunity to explore the world of aviation and experience firsthand what they have learned in class. They discovered more about airport operations, aircraft, and the different roles involved in keeping an airport running smoothly.

The students were excited throughout the visit, asking questions and eagerly exploring their surroundings. It was a wonderful day of learning, discovery, and fun, allowing our students to connect classroom knowledge with real-world experiences.

STUDENT COUNCIL CAMPAIGNS

Ahead of the Student Council elections, the candidates took part in a campaign period, where they had the opportunity to address the school during assembly and present their manifestos to fellow students.

The candidates shared their visions, ideas, and plans for their respective leadership positions, giving students an opportunity to learn more about what each candidate hoped to achieve.

The campaign period provided a valuable platform for students to develop their confidence, communication, public-speaking, and leadership skills. It also encouraged them to understand that leadership comes with responsibility, service, and a commitment to making a positive difference in the school community.

The campaigns created excitement among the students as they prepared to participate in the Student Council elections and choose their representatives.

STUDENTS COUNCIL ELECTION

Our school recently held the Student Council Elections, giving students an opportunity to participate in the democratic process and take on leadership responsibilities within the school community.

The election provided students with a platform to choose their representatives and demonstrated the importance of making responsible choices, respecting different opinions, and participating positively in school life.

Throughout the process, students were encouraged to understand that leadership is not only about holding a position, but also about serving others, listening to their peers, demonstrating integrity, and being responsible role models.

The elections were an exciting and meaningful experience for our students, helping them develop confidence, leadership skills, and a greater sense of responsibility. We congratulate all the students who participated and wish the newly elected Student Council members a successful term of service.

PARENTS BREAKFAST

On **Friday, September 25,** and **Saturday, September 26, 2026**, we hosted our Parents' Breakfast Meetings, bringing together parents and teachers for meaningful conversations about the progress and development of our students.

On Friday, we welcomed our Year 5 parents, while Year 9 parents joined us on Saturday. The meetings provided an opportunity for parents and teachers to discuss the students' strengths, areas for growth, homework, academic progress, and overall learning experience.

The discussions also highlighted the importance of strong collaboration between home and school in supporting students to reach their full potential. Parents were encouraged to remain actively involved in their children's learning, particularly by providing support and guidance with homework and maintaining open communication with the school.

We appreciate all the parents who took the time to attend and engage in these important conversations. Their participation continues to strengthen the partnership between home and school for the benefit of our students.
